The attached is the class list. Note:

There are names from the time sheets we provided that should not have been on the list due as they are not front of the house:

Alberto Moreno-kitchen staff

Eleocadio Juarez-kitchen staff

James Maroe (or Monroe) - kitchen staff

Chloe Doherty-Host

Three individuals are also not included:

Danny Birladeanu-Bartender (deceased)

Lychezer Lazarov-Server (deceased)

Luis Quizphi-food runner (prior settlement)

I know the judge approved the notice, and prior counsel did not object to it, but we have some issues with it that we would like to discuss, and also the mechanics involved.
